FEATURES & BENEFITS

Inspires

users to take the next step in life with confidence.

Establishes

a solid foundation for career planning based on reliable and validated career interests, skills confidence, and work values assessments.

Adapts

to provide information relevant to the unique life stages or circumstances, based on specific, individual needs or barriers. For example, service members can **search for occupations by Military Occupational Classification and Military Branch** and enter ASVAB scores to store within their lifelong portfolio.

Includes

a comprehensive toolkit of resources to explore occupations, find education and training options, create resumes and cover letters, practice interviewing skills, share an e-Profile, and more.

90%

Enhances Planning Confidence

Say Kuder is helpful in making educational and career plans.

Facilitates

selection of the right track for education and training. Individuals who select their major or program based on their Kuder assessments never change their major, persist in postsecondary, and have higher GPAs.

Improves

accountability and quantifies program success with robust reporting tools.

Tracks

data for administrators to monitor individual progress and high-level trends and quickly communicate with system users.
