COLLEGE & CAREER PLANNING PROGRAM

Design Your Education and Career Pathways

KUDER JOURNEY

The Department of Defense (DoD) Voluntary Education (VolEd) Program, through the Defense Activity for Non-Traditional Education Support (DANTES provides customized college and career counseling services specifically designed for military students.

Kuder Journey is a comprehensive online resource that helps service members plan for the future. College and career planning requires learning about oneself first to ensure a member chooses the right career path for their future. Kuder Journey's education and career counseling program is designed to help military students learn, access, and plan, based on their personal interests, skills and work values.

What do you have to lose? The program is no cost for eligible military members. Try it today!
